

Criminal Investigations Division

- ▶ The Jasper County Sheriff's Office Criminal Investigations Division (CID) consists of (3) Criminal Investigators and (2) Narcotics Investigators and (K-9) Baron.
- ▶ The Criminal Investigators are challenged with the task of carrying through every lead possible to solve cases that are generated by the Patrol Deputies. Once the case is created, the information must be complete and accurate prior to submission to the District Attorney for prosecution.
- ▶ The Narcotics Investigators are challenged with the task of maintaining a low profile along with utilizing every aspect to eliminate as much drug manufacturing and deliveries within Jasper County. This task itself utilizes many countless hours for the apprehension of each suspect.

CID Team L-R
Connie Jordan, Jason McClelland, Cal Morgan

Narcotics Team L-R
Scottie Duncan, Scott Jacks, Baron (K9)

With evolved technology, we are challenged with gathering as many aspects of a case on a limited budget. Evidence retrieval can be costly when it has to be submitted to the DPS Crime Lab for fingerprinting, toxicology, and DNA testing.
