

NOTICE OF PUBLIC HEARING ON TAX INCREASE

PROPOSED TAX RATE \$ 0.6519 per \$100
NO-NEW-REVENUE TAX RATE \$ 0.6269 per \$100
VOTER-APPROVAL TAX RATE \$ 0.7024 per \$100

The no-new-revenue tax rate is the tax rate for the 2022 tax year that will raise the same amount of property tax revenue for Jasper County from the same properties in both the 2021 tax year and the 2022 tax year.

The voter-approval tax rate is the highest tax rate that Jasper County may adopt without holding an election to seek voter approval of the rate.

The proposed tax rate is greater than the no-new-revenue tax rate. This means that Jasper County is proposing to increase property taxes for the 2022 tax year.

A public hearing on the proposed tax rate will be held on September 20th, 2021, at 9:00 a.m. at Jasper County Courthouse, Commissioner Courtroom, Rm 112, Jasper, Texas.

The proposed tax rate is not greater than the voter-approval tax rate. As a result, Jasper County is not required to hold an election at which voters may accept or reject the proposed tax rate. However, you may express your support for or opposition to the proposed tax rate by contacting the members of the Jasper County Commissioners Court of Jasper County, Texas at their offices or by attending the public hearing mentioned above.

Your taxes owed under any of the tax rates mentioned above can be calculated as follows:

Property tax amount = tax rate x taxable value of your property / 100.

Jasper County Commissioners Court, including County Judge Mark Allen, Aye; Precinct 1 Commissioner Seth Martindale, Aye; Precinct 2 Commissioner Roy Parker, Aye; Precinct 3 Commissioner Willie Stark, Aye; and Precinct 4 Commissioner Vance Moss, Aye.

The 86th Texas Legislature modified the manner in which the voter-approval tax rate is calculated to limit the rate of growth of property taxes in the state.
